

Walk and Talk 5 - Focus on Consecration

Look at your feet as you walk.

Talk about how you could walk, skip, tip-toe, or march in the street, the sidewalk, or grass. (Do some of these movements in different locations as permitted.)

Explain that we will walk on different paths (occupations, ministries, tasks, etc.) in our life. And we will do so with great joy and peace when we have consecrated our life to the Lord. By consecrating our life to the Lord, we are saying that we want to go and do whatever He wants and are looking for God's direction for each step taken.

If your child wants to consecrate their life to the Lord, take a picture of their feet on your walk, print it out and write the date on it, and give them the picture to remind them of the day they dedicated their life to the Lord. *(Remember that consecration is different from and comes after salvation. If necessary, review the points from the Redemption Walk if your child is unclear about salvation.)*

As you walk, look for all kinds of feet and notice the differences God has made in feet. They all have a purpose for His glory.

Ponder and Pray

Pray with your child that both of you will go and do whatever the Lord calls you to and will continue to seek His will for your lives.

Reflection Verses

"I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect." - Romans 12:1-2

"And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!" - Romans 10:15
