Certificate Level Course Work Includes
(Generally about 5-10 hrs of work each week)

- Video content and/or reading material each week (generally 1-2 hrs each week)
- Study questions from the video/reading material each week
- Quizzes each week
- Periodic reports
- Periodic on-the-street surveys
- Five live webinars (A device with a microphone (and webcam) is best for the webinars though other arrangements can be made.)

Upon satisfactory completion of these course assignments, you will receive a certificate from *NETworkers TEC* that signifies that you have earned the "Minute Fisherman – Apologetics Certificate". This course could also earn a student high school credit hours for their time of study.

Audit Level: Instead of doing the certificate level, you may choose to "audit" the course where videos, reading, homework, and online webinars are not required but the certificate would not be given. If you choose to do the audit level you are free to do as little or as much of the course as you would like. You will still be able to contact the facilitator for questions and have the option of being part of the group webinars.

"I liked not only learning why what I believe [about Christianity] is true but also being equipped to share it with others. ... You're not just gaining knowledge but also able to apply it [through the course]."
