The Case of the Empty Tomb – Evidence Report

Do the following theories have evidence of being probable?	**Circle** the most probable answer after hearing the evidence for that theory.	**Conclusion** (After hearing the evidence, fill in the blanks from the WORD BANK that complete the conclusion for each theory.)
Theory #1—**Fainted**: Jesus only fainted on the cross and merely walked out of the tomb after regaining consciousness.	TRUE FALSE	Jesus _____
Theory #2—**Stolen Body and Lying**: The disciples stole Jesus' body and then lied about the resurrection.	TRUE FALSE	No _____ to Steal or _____
Theory #3:—**Hallucination:** The disciples hallucinated seeing a risen Jesus but he was really still dead.	TRUE FALSE	Did not _____
Theory #4—**Added Later**: The resurrection was something added to Jesus' story much later in history.	TRUE FALSE	Jesus' resurrection was stated from the _____
Theory #5—**Wrong Tomb:** The disciples went to the wrong tomb on "resurrection" Sunday, which was empty, but Jesus' real tomb still had his body.	TRUE FALSE	Jesus' friends and enemies _____ where the correct tomb was and that tomb was _____
Theory #6—**Resurrection**: The disciples were simply telling the truth that Jesus was alive.	TRUE FALSE	Jesus is _____

Conclusion Word Bank:

Beginning – Died – Alive – Empty – Lie – Hallucinate – Knew – Motive
