

Fortune-Wisdom Teller

1. (Color Wisdom Teller first if desired) Cut off these instructions on the dotted line above.
2. Fold paper from corner to corner, making a triangle, and crease paper.
3. Trim edges as needed so that the edges match when folded. Then unfold back to a square.
4. Fold paper from the other corner, making a triangle, crease paper, (trim as needed), and unfold.
5. Place paper so that you are looking at the blank side.
6. Take each corner and fold it to the center of the square.
7. Flip over and fold each corner to the center of this square.
8. Fold the bottom of the square up to the top.
9. Place your fingers in the pockets underneath the words **HOW** (Right thumb), **TO** (Left thumb), **GET** (Left index finger), **WISDOM** (Right index finger).
10. Using your 4 fingers, push the corners of the rectangle into the center so that a corner of each word square touches in the center.
11. Now you can open and close your "wisdom" (not fortune) teller to show someone how to get wisdom.
